

IDIPPA Charter

We, the undersigned, are committed to the foundation and growth of the International Ductile Iron Pipe Producers Association and to the application of its principles as described hereunder:

- To provide a forum for members to network
- To provide opportunities to benchmark
- To promote the use of Ductile Iron pipes
- To share in common research projects
- To develop a coordinated input to International Standards
- To provide a forum to present technical papers of common interest
- To meet at least once every two years
- To have all Ductile Iron pipe producers or national producer bodies as members

Founding Members:
